The Project:

The Results:

Our Philosophy

Quality, Integrity and Commitment (QIC) is the triad that forms the core of our business philosophy. QIC is a sound business ethic that we firmly believe in and carry with us to all our engagements.

Y2K Audit & Compliance

Project: Y2K Study, Audit and Compliance.

Client: *A leading automotive and commercial vehicle dealer., Bangalore.*

Our client is a leading dealer for M/s Tata Engineering & Locomotive Company (TELCO), based in Bangalore with a turnover of over Rs. 50 crores. The company markets trucks, cars, automobile spares and vehicle maintenance services.

The scope of the project was to study, audit and verify Year 2000 compliance of their computer infrastructure at their Richmond Circle, Wilson Garden, J.P. Nagar and Peenya offices/workshops.

The project included the research of correct BIOS upgrade versions for the clients varied hardware asset base and the rollout of BIOS, Novell NetWare and Windows 9x desktops upgrades.

The project was completed in a short span of 30 days. All the systems have been successfully tested and demonstrated to the customer for Y2K compliance.

"I am happy about the excellent work done by WiseSoft Consulting India in upgrading our present systems to meet the Y2K threat."

M. H. P. Achar, General Manager.
